Account Balance Notifications

Our Account notification feature helps you keep on top of your account balances with a variety of low account credit notifications. Customize your individual thresholds such as minutes remaining, and dollars remaining.

Notification Settings

1. Select **Billing**.
2. Select **Manage Billing**.
3. Toggle to **enable the option** "Send me an email when my balance falls below a set amount."
4. Define the **Low balance** amount.
5. Click on **Save** to update settings.
