Bria Softphone Configuration

Whilst we recommend using our own SIPcity softphone which you can download from your favorite app store, your SIPcity numbers can also be set up on other softphone platforms.

Bria Solo

To use your SIPcity number with Bria you must first have an active Bria account.

1. Create an account at www.counterpath.com
2. Select **Bria Solo**.
3. Provide your **sign up details**.
4. Click **Configure SIP Settings**.
5. **Username**: phone number.
6. **Password**: [your phone number's password, which can be found on your SIPcity Switchboard].
7. **Domain**: **plus.SIPcity .com**
8. **Topology**: Firewall > None
9. **Reregister Settings**: Reduce Reregister from 3600 —> 180
10. **Download** the app according to your operating system.
