Multi-Language User Settings

With our Cloud PBX you can select between the following languages:

- English (5 Regions)
- Espanol
- Portuguese

Follow these steps to switch languages in your account profile:

- 1. Select your **User Icon** from the top right of your Cloud PBX this is your initials.
- 2. From the dropdown options, select Your account.
- 3. You will be presented with **Your details** screen and you can select your preferred Cloud PBX language from here.
- 4. Click **Save**. When you go back into any other screens or options, you will see these are now in your preferred language.

Note: From inside Your account details, you can also change your $\underline{\text{Time zones}}$.
