Account Balance Notifications

Our Account notification feature helps you keep on top of your account balances with a variety of low account credit notifications. Customize your individual thresholds such as minutes remaining, and dollars remaining.

Notification Settings

- 1. Select **Billing**.
- 2. Select Manage Billing.
- 3. Toggle to **enable the option** "Send me an email when my balance falls below a set amount."
- 4. Define the **Low balance** amount.
- 5. Click on **Save** to update settings.
