Add Credit

It's pretty easy to **Add Credit** to your account. You can save your Credit Card information within the CloudPBX, to make payments even easier.

Quick Guide

1. Log into your account.
2. Select **Account > Manage Billing**.
3. Click **Add Credit** within Payment Settings.
4. Add **Credit amount** and **Credit Card** details.
5. Click **Add Credit > Accept** to make payment.
