

Download the SIPcity App

Mike Johnstone - 2024-11-24 - SIPcity softphone

Download the SIPcity App

With SIPcity App you can take your numbers everywhere to make and receive calls.

Download the SIPcity App on your phone, available for iOS (supported version 13 or higher) and Android (supported version 7.1 or higher).

Quick Guide on Apple:

1. Go to Apple Store.
2. Search SIPcity.
3. Tap on "Install".
4. Confirm Apple ID password.
5. Open SIPcity when the download is completed.

Quick Guide on Android:

1. Go to Play Store.
2. Search SIPcity.
3. Tap on "Install".
4. Confirm Google Play password.
5. Open SIPcity when the download is completed.
