Login and set up your number

Mike Johnstone - 2024-10-21 - SIPcity softphone

Login and set up your number

Once you download the SIPcity App, you can log into the App.

Log into your SIPcity online account to get your number and password.

Quick Guide for logging in:

1. Login to your account.
2. Go to the Switchboard.
3. Select the desired Number >
4. Under Profile tab go to Number Settings >
5. Turn on Restricted
6. Add Password > Save

Quick Guide for logging into your App:

1. Open the SIPcity App on your cellphone.
2. Fill in your number.
3. Fill in your password.
4. Tap Login.
